Richfield Living offers two distinct assisted living residences on our campus – **The Oaks and Joseph C. Thomas Center**. **Joseph C. Thomas Center** also offers three households dedicated to **memory care**. Within these households, we incorporate resident-directed approaches and life enrichment programming with the goal of enhancing the quality of life for our residents.

Our residences offer 24 hr supervision, activity and wellness programs, health monitoring, medication management, meals, and assistance with personal care. We strive to provide environments that are nurturing, comfortable and secure, where each resident's individual qualities are recognized and respected.

Our **Vacation & Recovery Stay Program**, a respite care option, allows caregivers time to vacation, deal with personal or business affairs, travel or enjoy needed rest from the stress and strain of round-the-clock care-giving.

At the **Joseph C. Thomas Center,** you'll enjoy assisted living services in gracious and comfortable surroundings

Residents enjoy the privacy of their own rooms with space for personal belongings. To build community, resident rooms are grouped in 3 households of 14 residents each. Here they share a kitchen, common area, laundry room, and access to an outdoor courtyard.

One very important service Richfield Living brings to Roanoke Valley is assisted living households within its **Memory Care** program. Here residents enjoy assisted living in an environment that is safe and nurturing. Richfield Living's Memory Care households feature private rooms with private baths, clustered around a shared living space that includes a 'house' kitchen, convenient common areas, a laundry room, and security systems to help ensure resident safety.

At **The Oaks**, you'll enjoy assisted living services in elegant and soothing surroundings.

The Oaks provides a beautiful and uplifting living experience. Here you can enjoy a large private apartment, or unique semi-private accommodations in a single-level setting, with a private bath and space for favorite belongings.
