

INDEPENDENT LIVING

At Richfield, we help people rediscover their quality of life, regardless of where they are in life's journey. Our beautiful surroundings, combined with a broad range of services and accommodations, provide a setting where individuals become members of a secure, supportive, and active community.

Whether you prefer the efficiency and convenience of apartment living or the added space and privacy of a patio home, you'll find it here at Richfield. **Knollwood Apartments**, **Richfield Lake Estates** and **Ridgecrest Apartments** offer housing options to meet virtually every need and personal preference.

Richfield is located near the City of Salem, home of Roanoke College. Our location provides the ambience of a tranquil setting with easy access to the services and cultural attractions of the entire Roanoke and New River Valley areas.

The Wellness Center at Richfield offers residents of the Richfield campus a place to achieve their wellness goals. From a gym equipped with award-winning exercise equipment, yoga/exercise classes, and individual wellness programs, to outpatient therapy and a salt water therapy pool, residents are able to rediscover their wellness potential.

Additionally, should your health or the health of a loved one change, you'll have access to a full continuum of health care services, without leaving the Richfield campus.
